

**PEAK VIEW**  
BEHAVIORAL HEALTH

## **SENIOR INPATIENT PROGRAM**

Peak View offers two separate therapeutic 16-bed senior adult units addressing the needs of seniors with psychiatric challenges including depression, bipolar disorder, psychosis and co-occurring disorders. Symptoms can also include behaviors complicated by memory care challenges.

The Senior Inpatient Program is focused on providing exceptional treatment and support through an inter-disciplinary team approach within a comfortable environment. Peak View is licensed by the State of Colorado and is Joint Commissioned Accredited.
